kleinwort benson is one of the most distinguished international investment banks in the city of london becoming part of the dresdner bank group in 1995 this is the story of how two families the kleinworts and the bensons emerged from medieval beginnings in holstein and the lake district to seek their fortunes in hamburg cuba and liverpool before arriving in the 1850s in london there they founded two very different merchant banks which merged in 1967 to create kleinwort benson lonsdale later kleinwort benson the kleinwort benson story mirrors both the spectacular growth

of English capital and its often turbulent side effects it shows how the two families survived the collapse of the Benson bank in 1875 the freezing of Kleinwort assets and business by the European financial crisis of 1931 and two world wars and how they established their banks as powerful city players in the postwar period their story is as much a human drama as a financial history brimming with generations of Kleinworts Bensons and the families with whom they married and formed partnerships the book evokes their feuds and friendships their successes and failures set against the background of more than two hundred years of social and business history this is the first full history of Kleinwort Benson it contributes to our understanding of the way in which business is carried out in the city of London and provides fascinating insights into the lives of those concerned Jehanne Wake was given unrestricted access to the bank's archives and staff and has drawn upon a wealth of original sources to furnish this lively and readable history of the members of two banking dynasties and their boardroom successors

to be completed in 12 volumes this monumental work here begins publication with the first two volumes Abaco to Bertie and Bertin to Byzard when completed it is expected that the biographical dictionary will include information on more than 8 500 individuals hundreds of printed sources have been searched for this project and dozens of repositories combed and the names of personnel listed have been filtered through parish registers whenever possible from published and unpublished sources from wills archives of professional societies and guilds from records of colleges universities and clubs and from the contributions of selfless scholars the authors have here assembled material which illuminates theatrical and musical activity in London in the 1660-1800 period the information here amassed will doubtless be augmented by other specialists in Restoration and eighteenth century theatre and drama but it is not likely that the number of persons now known surely or conjectured finally to have been connected with theatrical enterprise in this period will ever be increased considerably certainly the contributions made here add immeasurably to existing knowledge and in a number of instances correct standard histories or reference works the accompanying illustrations estimated to be some 1 400 likenesses at least one picture of each subject for whom a portrait exists may prove to be a useful feature of the work the authors have gone beyond embellishment of the text and have attempted to list all original portraits any knowledge of which is now recoverable and have tried to ascertain the present location of portraits in every medium
