ASR Index is a complete and detailed index of everything that has appeared in the antique Studebaker Review Magazine since its inception in 1971. Of greatest importance are the advice items that are indexed by subject: engines, brakes, steering, etc. Historical items are also indexed by subject as well as by the vehicle model and year they relate to. If you own, for instance, a 1939 Champion ASR Index will give you instant access to everything that has been published about your car and much more indexed by model year and subject matter. ASR Index is detailed and comprehensive, making it easy to find the information you need. Each listing, of course, refers you to the specific issue of antique Studebaker Review and cites the page on which the item begins. ASR Index includes issues of antique Studebaker Review from 1971 through 2019, by subject, model, and year. It contains more than 4,300 references on 55 pages.

As Sydney prepares to host the 2000 Olympic Games, this study assesses the cultural impact of sport on the Australasian countries here. As in other parts of the world, sport is taken as an assertion of both individual and group identity, a demonstration of modernity and a source of personal, local, and regional esteem. This collection explores the political, social, and aesthetic influence of modern sport attitudes to the body and the evolution of specific Australasian visions of sport.
