as a group of islands in the far south west pacific ocean new zealand has a history that is steeped in the sea its people have encountered the sea in many different ways along the coast in port on ships beneath the waves behind a camera and in the realm of the imagination while new zealanders have continually altered their marine environments the ocean too has influenced their lives a multi disciplinary work encompassing history marine science archaeology and visual culture new zealand and the sea explores new zealand s varied relationship with the sea challenging the conventional view that history unfolds on land leading and emerging scholars highlight the dynamic ocean centred history of these islands and their inhabitants offering fascinating new perspectives on new zealand s pasts the ocean has profoundly shaped culture across this narrow archipelago the meeting of land and

sea is central in historical accounts of polynesian discovery and colonisation european exploratory voyaging sealing whaling and the littoral communities that supported these plural occupations and the mass migrant passage from britain frances steel

by any measure new zealand must confront monumental issues in the years ahead from the future of work to climate change wealth inequality to new populism these challenges are complex and even unprecedented yet why does new zealand s political discussion seem so diminished and our political imagination unequal to the enormity of these issues and why is this gulf particularly apparent to young new zealanders these questions sit at the centre of max harris s new zealand project this book represents from the perspective of a brilliant young new zealander a vision for confronting the challenges ahead unashamedly idealistic the new zealand project arrives at a time of global upheaval that demands new conversations about our shared future

after fifteen years in new zealand joe bennett asked himself where on earth he was joe bennett went to new zealand for a one year job fifteen years later he s still there what could it be about these two small islands on the edge of the world that kept this otherwise restless traveller for a decade and a half longer than planned there was only one way to find out he packed his bags said farewell to his dog and stuck out his thumb and waited to see where the locals took him book jacket

the two volume 7th edition of the highly regarded garrow and fenton s law of personal property in new zealand provides in depth coverage of personal property securities as well as all other types of personal property the 7th edition enlarges the role of previous editions examining recent developments in a wholly modern context the only comprehensive and completely up to date treatment of the topic of personal property in new zealand the two volume work comprises over 2000 pages of commentary allowing for in depth treatment of the relevant topics continuation of a well known and long established book in the new zealand market a must have title for anyone practising in a commercial or general practice written by dr roger fenton a highly regarded expert in this area of law volume 1 covers all types of personal property and includes detailed commentary on ownership of

goods or tangible things fixtures gifts bailment liens ships including maritime liens choses in action and special forms of choses in action and incorporeal property it also includes an overview of personal property securities

the universal declaration of human rights adopted while the world remained deeply shocked by the atrocities committed during the second world war was an inspirational creation it is hard to conceive of this document being adopted today like most other nations new zealand has succumbed to a kind of world weary acceptance that full enjoyment of universal human rights remains a distant dream preface dame silvia cartwright pcnzm dbc qso new zealand is proud of its human rights record with good reason it was the first country in the world to give women the vote and it played a prominent part in the establishment of the united nations and the universal declaration of human rights new zealand recently took a leading role in the creation of the world s newest human rights treaty the convention on the rights of persons with disabilities but just how good are things in practice are our governments living up to the promises they make when they ratify human rights treaties human rights in new zealand is a comprehensive survey of the seven major international human rights treaties which new zealand has signed and ratified as well as the universal periodic review based on four years of research undertaken with the support of the new zealand law foundation this book concludes that significant faultlines are emerging in the human rights landscape it sets out an agenda for change with recommendations for practical action

as young kids savi and vid as they are popularly known to their followers dreamt of travelling the world together in 2013 they turned this dream into reality with the launch of their travel blog bruised passports and now countless flights dreamy destinations and beautiful pictures later the og couple of travel has decided to reveal the secret of their carefree and footloose life but this isn t just a book filled with dreamy stories of travel people and culture in these pages savi and vid share their insights on how you too can live a life full of memories adventure and the excitement of discovering a new place with tips plans and advice inspired by the hurdles and successes they have faced savi and vid tell you how to be successful digital nomads in a post pandemic world from

financial planning to risk analysis to taking that leap of faith to how to create a brand of your own bruised passports promises to be a treasure trove for anyone who wants to take the plunge and set off on a journey to live life on their own terms

the new zealand wars were a series of conflicts that profoundly shaped the course and direction of our nation s history fought between the crown and various groups of māori between 1845 and 1872 the wars touched many aspects of life in nineteenth century new zealand even in those regions spared actual fighting physical remnants or reminders from these conflicts and their aftermath can be found all over the country whether in central auckland wellington dunedin or in more rural locations such as te pōrere or te awamutu the wars are an integral part of the new zealand story but we have not always cared to remember or acknowledge them today however interest in the wars is resurgent public figures are calling for the wars to be taught in all schools and a national day of commemoration was recently established following on from the best selling the great war for new zealand vincent o malley s new book provides a highly accessible introduction to the causes events and consequences of the new zealand wars the text is supported by extensive full colour illustrations as well as timelines graphs and summary tables

intellectual property in new zealand offers the most up to date and comprehensive information and analysis of this dynamic field it provides commercially focused material for practitioners in a style accessible to undergraduate students intellectual property law is an integral part of almost all commercial endeavours including the creative industries inventions and the rapidly changing world of information technology

the task of living in modern new zealand and especially in modern auckland is not just to understand how to live with different peoples but how to adapt to the future that has already happened new zealand is a nation that exists on pacific islands but does not will not perhaps cannot see itself as a pacific island nation yet turning to the pacific argues damon salesa enables us to grasp a fuller understanding of what life is really like on these shores after all salesa argues in many ways new

zealand's pacific future has already happened setting a course through the islands of pacific life in new zealand Ōtara tokoroa porirua Ōamaru and beyond he charts a country becoming even more pacific by the hour what would it mean this far sighted book asks for new zealand to recognise its pacific talent and finally act like a pacific nation

spanning nearly two centuries from first contact through to settlement and apology this major work focuses on the human impact of the war in the waikato its origins and aftermath

this volume maps the phenomenon of medievalism in aotearoa initially as an import by the early white settler society and as a form of nation building that would reinforce britishness and ancestral belonging this colonial narrative underpins the volume s focus on the imperial relationship in chapters on the academic study of the middle ages on medievalism in film and music in manuscript and book collections and colonial stained glass and architecture through the alternative 21st century frameworks of a global middle ages and aotearoa s bicultural nationalism the volume also introduces maori understandings of the ancestral past that parallel the european epoch and at the opposite end of the spectrum the phenomenon of global right wing medievalism as evidenced in the alt right extremism underpinning the christchurch mosque attack of 2019 the 11 chapters trace the transcultural

moves and networks that comprise the shift from the 20th century study of the middle ages as an historical period to manifestations of medievalism as the reception and interpretation of the medieval past in postmedieval times collectively these are viewed as indications of the changing public perception about the meaning and practice of the european heritage from the colonial to contemporary era the volume will appeal to educationists scholars and students interested in the academic history of the middle ages in new zealand enthusiasts of film music and performance of the medieval members of the public interested in aotearoa s history and popular culture and all who enjoy the colourful reinventions of medievalism

in 1939 more than 140 000 new zealanders enlisted to fight overseas during world war ii of these 104 000 served in the second new zealand expeditionary force initially thrown into the doomed campaign to halt the german blitzkrieg on greece and crete 1941 the division was rebuilt under the leadership of majgen sir bernard freyberg and became the elite corps within montgomery s eighth army in the desert after playing a vital role in the victory at el alamein 1942 the kiwis were the vanguard of the pursuit to tunisia in 1943 45 the division was heavily engaged in the italian mountains especially at cassino 1944 it ended the war in trieste meanwhile a smaller nz force supported us forces against the japanese in the solomons and new guinea 1942 44 fully illustrated with specially commissioned colour plates this is the story of the second new zealand expeditionary force s vital contribution to allied victory in world war ii

neuseeland florenwerke

us maoris used to practise slavery just like them poor negroes had to endure in america says beth heke in once were warriors oh those evil colonials who destroyed maori culture by ending slavery and cannibalism while increasing the life expectancy wrote a sarcastic blogger recently so was maori slavery just like the experience of africans in the americas and were british missionaries or colonial administrators responsible for ending the practice what was the nature of freedom and unfreedom in maori society and how did that intersect with british colonists and the anti slavery

movement this book is the first history of maori war captives drawing on maori oral sources as well the records of colonists petrie analyses freedom and unfreedom in traditional maori society the role of economics and mana in shaping captivity and how the arrival of colonists trade and war transformed maori society and the place of captives

from the land of the long white cloud home to the all blacks and world renowned wines comes wine dogs second kiwi edition now in a larger coffee table format wine dogs is rapidly taking the international world of wine publishing to a completely different level kevin judd greywacke marlborough nz anyone who visits wineries can t help but notice the omnipresent dog as much a part of the scenery as the winemaker and cellar hand wine dogs new zealand 2 features over 100 wineries with stunning photos of their loyal pooches along the way the mutts and purebreds are interspersed with short essays by bob campbell jane skilton john saker and many more find out which dog spent the night in the blenheim police lock up who is the kiwi canine hamburgererler and we expose the infamous hawkes bay undie eater wine dogs new zealand 2 is a photographic journal of stunning pictures and great stories created all for the love of dogs and wine

an extensive study from 1928 based on years of research in the field of the plant life of new zealand

this book focuses on new immigrant families from the people s republic of china to new zealand and investigates how these families have adapted to new zealand immigration policy regime which does not accommodate their cultural preference to live as multigenerational families easily the book analyses a three generation framework first generation adult immigrants their children and older parents it examines how migratory mobility and intergenerational dynamics configure migratory trajectories of individual family members and shape their family lives and sense of identity the book sheds light on how different family generations pursue their own interests and goals while maintaining family unity and cohesiveness in contexts of increasing transnational mobility opportunities and constraints it also investigates how familial ties transnational connections and a sense of identity and belonging are defined and redefined during the process of transnational migration this book can serve as a

heuristic reference to and meaningful comparative parameter for studying transnational family migration in other contexts as a significant theoretical contribution to the theory of transnational family formation in contexts where restrictive immigration policies result in members of multigenerational families living across different countries this book will be of interest to academics in the fields of sociology anthropology race and ethnic studies as well as asian and chinese studies
