this landmark publication provides a comprehensive and authoritative account of new zealand s involvement in the vietnam war and will remain the standard reference work on the subject for decades its publication completes the programme of official war histories that began in 1945 ian mcgibbon s primary focus is what new zealand did in south vietnam he traces in detail the operations carried out by new zealand forces and seeks to illuminate the experience of new zealand soldiers fighting in a guerrilla war the command structure logistic support and operational context of fighting within a primarily australian framework are all covered he addresses controversial aspects such as friendly fire incidents atrocity allegations and veterans grievances including over agent orange maori participation in v force was substantial and its impact is assessed although the book is inevitably weighted towards the military the efforts of civilians in south vietnam are also covered in depth the surgical team operated from 1963 until their evacuation from qui nhon just days before north vietnamese columns entered the city not forgotten are the efforts of courageous civilians like sister mary laurence and of red cross volunteers to alleviate misery among refugees the book also describes the dramatic end of new zealand s involvement in south vietnam with the surgical team and the new zealand embassy evacuated by rnzaf bristol freighters just before the communist victory finally mcgibbon surveys the war s troubled aftermath culminating in the prime minister s apology to veterans in 2008

today s new zealand is an emerging paradigm for successful cultural relations although the nation s maori indigenous polynesian and pakeha colonial european populations of the 19th century were dramatically different and often at odds they are today co contributors to a vibrant society for more than a century they have been working out the kind of nation that engenders respect and well being and their interaction though often riddled with confrontation is finally bearing bicultural fruit by their model the encounter of diverse cultures does not require the surrender of one to the other rather it entails each expanding its own cultural categories in the light of the other the time is ripe to explore modern new zealand s cultural dynamics for what we can learn about getting along the present anthropological work focuses on religion and related symbols forms of reciprocity the operation of power and the concept of culture in modern new zealand society

In the late 1600s the parish registers for Kingsey in Buckinghamshire recorded the birth of Francis Ludlow, son of Edward and Elizabeth. It is not clear where Edward and Elizabeth married, nor indeed where they lived prior to the birth of their son. This book contains the story of them, their children, and their descendants who bore the Ludlow surname from 1699 to the present day.

The state of Maori rights brings together a set of articles written between 1994 and 2009. It places on record the Maori view of events and issues that took place over these years, issues that have been more typically reported to the general public from a mainstream media perspective. It is an important documentation of these fifteen years of New Zealand history, recording the assertion of Maori rights as the indigenous people of Aotearoa, New Zealand, focusing on Maori issues and experiences, and written from a Maori perspective. The reviews demonstrate the ongoing settling of grievances against the Crown for breaches of the Treaty of Waitangi, the solutions Maori have advocated, and the benefits to the country when Maori advice on these matters is followed. Key issues include the 1994 fiscal envelope, the 50,000 Strong Protest March against foreshore and seabed, Pakeha media attacks on Maori MPs, and Maori initiatives. Maori success stories are also acknowledged, such as Michael Campbell, Robert Hewitt, Willie Apiata, and films such as *Whale Rider*.

neoliberal reforms have seen a radical shift in government thinking about social citizenship rights around the world but have they had a similarly significant impact on public support for these rights this unique book traces public views on social citizenship across three decades through attitudinal data from new zealand the united kingdom and australia it argues that support for some aspects of social citizenship diminished more significantly under some political regimes than others and that limited public resistance following the financial crisis of 2008 2009 further suggests the public rolled over and accepted these neoliberal values yet attitudinal variances across different policy areas challenge the idea of an omnipotent neoliberalism providing food for thought for academics students and advocates wishing to galvanise support for social citizenship in the 21st century

us maoris used to practise slavery just like them poor negroes had to endure in america says beth heke in once were warriors oh those evil colonials who destroyed maori culture by ending slavery and cannibalism while increasing the life expectancy wrote a sarcastic blogger recently so was maori slavery just like the experience of africans in the americas and were british missionaries or colonial administrators responsible for ending the practice what was the nature of freedom and unfreedom in maori society and how did that intersect with british colonists and the anti slavery movement this book is the first history of maori war captives drawing on maori oral sources as well the records of colonists petrie analyses freedom and unfreedom in traditional maori society the role of economics and mana in shaping captivity and how the arrival of colonists trade and war transformed maori society and the place of captives
