in the chaos of the english civil war and puritan commonwealth churches were defaced and organs broken but the tradition of fine music survived when charles ii returned from exile in 1660 one of the first things he demanded was music sacred and profane anthems and motets pavannes and gavottes in 1659 henry purcell was born and his genius would give the period and nation an unforgettable voice jonathan keates traces purcell's development against the turbulent movements of his time political religious theatrical and social he shows him growing up in the shadow of westminster abbey and follows him as a chorister in the chapel royal copying the innovative and colourful style of matthew locke beginning to compose for the theatre and for state occasions writing his great settings of sacred music his chamber sonatas and his triumphant dido and aeneas the first british opera in the background are the heady politics of restoration england which expelled the stuart james ii and brought william and mary to the throne but almost more important is the rich musical history the influence of

french and italian composers blending with and modifying the native tradition we know and love purcell through his work his songs were sung in taverns his psalms in churches he was urbane and witty impassioned and profound this engrossing biography is as remarkable for its sensitive critical appreciation of purcell s music in all its forms as it is for its vivid portrait of the man and the boisterous age in which he lived
