a powerful collection of personal essays on displacement being different and living between two worlds told with humour and self reflection a book for our times written with wit lyricism cynicism and tenderness rachel house based on ghazaleh golbakhsh s experience as an iranian immigrant growing up in new zealand these essays range from a childhood in war torn iran including the trauma of a night spent in prison as a six year old to learning english so she could make friends to dating in the days of corona this is about growing up as a young woman torn between her immigrant roots and her desire to be like everyone else the humour

is sometimes offset with the more sombre reminder of the racism that has always existed in this country from misguided quips to more serious stories of harassment the impact of recent world events shows that more than ever marginalised voices are needed in our cultural discourse

cities and digital platforms unravels the transformative impact of digital platforms such as airbnb and zoom on urban landscapes illustrating their profound influence on housing city planning and the broader economic fabric through rigorous case studies from cities such as amsterdam auckland sydney and singapore this book delves into the operational dynamics of these platforms as part of the broader cybernetic capital cycle a concept developed by the author to describe the nuanced interplay between digital innovations and capitalist cycles this thorough analysis examines the dual roles of digital platforms as both disruptors and catalysts for urban transformation it confronts the challenges of spatial inequality and probes the potential of digital solutions in fostering equitable urban development this book is an essential read for policymakers urban planners and anyone intrigued by the intersection of technology economy and urban life providing critical insights into the evolving dynamics of our cities in the digital age

over the last five years auckland based artist yona lee has become recognised for creating elaborate linear steel structures that are meticulously folded bent or welded to respond to different spaces these site specific installations have increasingly incorporated everyday objects within them as if the flotsam and jetsam of discarded consumer products have become tangled in a metallic fishnet lee s upcoming exhibition in transit arrival will be her largest and most ambitious installations to date publisher description

bill gosden was at the forefront of aotearoa film culture from 1980 to 2019 the gosden years is a record of his enormous legacy as director of the new zealand international film festival the country s leading annual cinema event and a constant wellspring of film discovery and appreciation conceived by gosden during the last months of his life the book comprises his curated film notes with praise for vital and overlooked new zealand feature films included programme introductions that illuminate the changing technologies and politics of film exhibition through the decades and striking original poster art from every year of his tenure brought together for the first time these rare items richly chronicle filmmaking and film going in new zealand alongside the dedication of the people and partners who made the festival a cultural institution under his stewardship through gosden s collected writings as well as new reflections on his time with the festival a story emerges of positive change in the film industry the fight for artistic freedom and diversity on screen and his own brilliant reputation as an ambassador advocate and tastemaker in the arts whose sublime instinct for and expression of great cinema has inspired and influenced so many

these guidelines provide the current evidence based recommendations on healthy eating and physical activity for new zealand adults including pregnant and breastfeeding women focus on the detail practitioners need at a glance that is what people need to eat or do a summary of the rationale why and a little on how to put the recommendations into practice page iv

this book examines the ways in which new zealand s churches interpreted prime minister jacinda ardern s covid 19 protection framework which saw unvaccinated new zealanders excluded from access to many aspects of civil life including church attendance the book considers the socio political factors that contributed to a high degree of compliance with

measures that arden herself acknowledged created two classes of people in a country that prides itself on being egalitarian and kind it interrogates new zealand s covid response from ethical and theological perspectives inviting readers to listen deeply to the voices of 75 clergy and lay people whose contributions illustrate a range of responses to the covid 19 protection framework and highlight that the biblical injunction to love our neighbour is not as simple as it sounds as one contributor commented i did notice that people tended to have different ideas on who we should love at any point in time were these measures compatible with the gospel how did they impact on already vulnerable disadvantaged or marginalised communities what are the implications of this study for christian praxis this book will be of interest to churches practical and public theologians and others who are interested in global responses to the pandemic

this book adds to global knowledge of pathways out of crime desistance by exploring the desistance narratives of 15 women with histories of imprisonment in aotearoa new zealand 10 of whom identify as māori new zealand s indigenous population by voicing these women s experiences the book adds to desistance research by moving beyond the mainstream western nations which dominate desistance literature such as the united states and uk to explore how historical and structural influences including aotearoa new zealand s colonial history shape women s offending and desistance trajectories this book explores the women s journeys in and out of crime including the various socio structural constraints which could impede the women s desistance efforts especially for māori women who are overrepresented in aotearoa new zealand s prison population this book explores the influence of the women s personal relationships with families of origin whānau intimate partners friends associates and children and their institutional interactions i e their experiences of employment drug alcohol addiction treatment and other forms of rehabilitative support the book also takes a close look at the role of housing and the more subjective notion of home in the women s offending and desistance journeys it makes recommendations for policy and practice to support women leaving prison in aotearoa new zealand and internationally with an emphasis on the importance of wider community support this book makes an original contribution to desistance literature by bringing greater conceptual clarity to gendered aspects of the desistance process and how these manifest in a colonial setting it will appeal to students and scholars of criminology desistance gender studies recovery from addiction and to practitioners and policy makers in these fields

this volume brings together academics and museum professionals responsible for ancient mediterranean collections across australia and aotearoa new zealand to report on their collections legacies and their ongoing value for research education and community engagement in the twenty first century an introductory chapter offers an overview of the themes that unite these mediterranean collections their colonial legacies their more recent history and the network of scholars who have fostered their development subsequent chapters

offer thematic case studies from the perspective of curators museum professionals educators and researchers working with collections across australasia they explore several themes including museum archaeology provenance studies pedagogy and participatory programming and engagement and they address two issues that are of interest to everyone who engages with museum collections today restitution and the ethical management and display of human remains taken together these contributions situate the region's collections on a global scale highlighting their continued relevance in the present and for the future the volume includes a distribution guide to all known ancient mediterranean collections in australia and aotearoa new zealand a much needed resource for students provenance researchers and museum professionals this volume will be of interest to researchers in mediterranean archaeology and related disciplines to museum studies scholars and postgraduate students and to a general audience

on the islands in the strait of hormuz off the southern coast of iran there is a common belief that the winds can possess a person bringing illness and disease the existence of similar convictions in some african countries suggests that the cult may have been brought to iran from southeast africa through the arab slave trade this history is rarely spoken about but these winds and the traces they have left on the islands and their inhabitants are the touchstone for hoda afshar's speak the wind through her subtle and perceptive images of the extraordinary landscapes the people and their rituals afshar's beautiful and complex book attempts to picture the wind and its psychic entanglements to form a visible record of the invisible

bridge failures and lessons learnt uses case studies from history as well as more recent events to analyse in detail the causes and consequences of these failures shedding light on technological advancements and actionable steps to prevent such disasters in the future

this book examines how indigenous peoples around the world are demanding greater data sovereignty and challenging the ways in which governments have historically used indigenous data to develop policies and programs in the digital age governments are increasingly dependent on data and data analytics to inform their policies and decision making however indigenous peoples have often been the unwilling targets of policy interventions and have had little say over the collection use and application of data about them their lands and cultures at the heart of indigenous peoples demands for change are the enduring aspirations of self determination over their institutions resources knowledge and information systems with contributors from australia aotearoa new zealand north and south america and europe this book offers a rich account of the potential for indigenous data sovereignty to support human flourishing and to protect against the ever growing threats of data related risks and harms the open access version of this book available at [taylorfrancis.com/books/e/9780429273957](https://www.taylorfrancis.com/books/e/9780429273957) has been made available under a creative commons attribution non commercial no derivatives 4.0 license

america in the mid 1980s in the midst of the aids crisis and a conservative reagan administration new yorkers grapple with life and death love and sex heaven and hell this

edition published alongside the major revival at the national theatre in 2017 contains both plays part one millennium approaches and part two perestroika

gender related norms persist in our societies including in the consumption of alcohol despite knowing that men and women consume alcohol differently and are affected by its harm differently alcohol control policies remain essentially gender blind highly gendered approaches to alcohol marketing and gender differences in patterns of alcohol consumption and its associated harm are well documented relatively little evidence has examined the different effects of population level alcohol control policies on different genders and even less has addressed how gender intersects with socioeconomic status age ethnicity and other factors experiences from countries illustrate gendered approaches being used by the alcohol industry brazil and the united states and the innovative ways that governments and civil society organizations are tackling the gendered effects of alcohol consumption this includes promoting employment outside the alcohol industry united republic of tanzania developing gender specific supports for alcohol consumption pakistan and scotland mobilizing civil society to enforce marketing bans sri lanka and creating culturally sensitive and culturally embedded policies aotearoa new zealand there is a clear need for policy relevant research that supports an increased understanding of what works for gender responsive approaches to reduce the harm caused by alcohol consumption

the immunisation handbook 2017 the handbook provides clinical guidelines for health professionals on the safest and most effective use of vaccines in their practice these guidelines are based on the best scientific evidence available at the time of publication from published and unpublished literature taken from ministry of health website

in this expanded version of an inspiring speech delivered in december 2009 david suzuki reflects on how we got where we are today and presents his vision for a better future in his living memory suzuki has witnessed cataclysmic changes in society and our relationship with the planet the doubling of the world s population our increased ecological footprint and massive technological growth today we are in a state of crisis and we must join together to respond to that crisis if we do so suzuki envisions a future in which we understand that we are the earth and live accordingly all it takes is imagination and a determination to live within our and the planet s means this book is the culmination of david suzuki s amazing life and all of his knowledge experience and passion it is his legacy

national advisory committee on creative and cultural education was established in 1998 to make recommendations to the secretaries of state on the creative and cultural development of young people through formal and informal education to take stock of current provision and to make proposals for principles policies and practice p 4 this is its report

the inspirational sequel to 12 rules for life which has sold over 10 million copies around the world now in paperback in 12 rules for life acclaimed public thinker and clinical psychologist jordan b peterson offered an antidote to the chaos in our lives eternal truths applied to modern anxieties his insights have helped millions of readers and resonated powerfully around the world now in this long awaited sequel peterson goes further showing that part of life s meaning comes from reaching out into the domain beyond what we know and adapting to an ever transforming world while an excess of chaos threatens us with uncertainty an excess of order leads to a lack of curiosity and creative vitality beyond order therefore calls on us to balance the two fundamental principles of reality order and chaos and reveals the

profound meaning that can be found on the path that divides them in times of instability and suffering peterson reminds us that there are sources of strength on which we can all draw insights borrowed from psychology philosophy and humanity's greatest myths and stories drawing on the hard won truths of ancient wisdom as well as deeply personal lessons from his own life and clinical practice peterson offers twelve new principles to guide readers towards a more courageous truthful and meaningful life

ang describes the development of the five power defence arrangements fpda an important security regional arrangement from its inception to the present from the perspectives of the five fpda allies the book recounts the establishment of the fpda in 1971 from the anglo malaysian defence agreement and its development in the first 20 years to the end of the cold war in 1990 based on declassified archival documents and secondary literature it explores how the fdpa has evolved and adapted to provide different benefits to each of its partners after the cold war ang contextualises the fpda within existing scholarship and offers a glimpse into possible future trajectories a valuable resource for scholars students researchers and professionals interested in international history defence and security

in 1998 just as south island tribe ngai tahu was about to sign its treaty of waitangi settlement with the government justice of sorts after seven generations of seeking redress a former foundryman stepped into the pivotal role of kaiwhakahaere or chair of te runanga o ngai tahu the tribal council of ngai tahu mark solomon stood at the head of his iwi at a pivotal moment and can be credited with the astute stewardship of the settlement that has today made ngai tahu a major player in the economy and given it long sought after self determination for the affairs of its own people bold energetic and visionary for 18 years solomon forged a courageous and determined course bringing a uniquely maori approach to a range of issues now in this direct memoir sir mark reflects on his life on the people who influenced him on what it means to lead and on the future for both ngai tahu and aotearoa new zealand
