the new zealand wars were a series of conflicts that profoundly shaped the course and direction of our nation s history fought between the crown and various groups of māori between 1845 and 1872 the wars touched many aspects of life in nineteenth century new zealand even in those regions spared actual fighting physical remnants or reminders from these conflicts and their aftermath can be found all over the country whether in central auckland wellington dunedin or in more rural locations such as te pōrere or te awamutu the wars are an integral part of the new zealand story but we have not always cared to remember or acknowledge them today however interest in the wars is resurgent public figures are calling for the wars to be

taught in all schools and a national day of commemoration was recently established following on from the best selling the great war for new zealand vincent o malley s new book provides a highly accessible introduction to the causes events and consequences of the new zealand wars the text is supported by extensive full colour illustrations as well as timelines graphs and summary tables

by any measure new zealand must confront monumental issues in the years ahead from the future of work to climate change wealth inequality to new populism these challenges are complex and even unprecedented yet why does new zealand s political discussion seem so diminished and our political imagination unequal to the enormity of these issues and why is this gulf particularly apparent to young new zealanders these questions sit at the centre of max harris s new zealand project this book represents from the perspective of a brilliant young new zealander a vision for confronting the challenges ahead unashamedly idealistic the new zealand project arrives at a time of global upheaval that demands new conversations about our shared future

spanning nearly two centuries from first contact through to settlement and apology this major work focuses on the human impact of the war in the waikato its origins and aftermath

as a group of islands in the far south west pacific ocean new zealand has a history that is steeped in the sea its people have encountered the sea in many different ways along the coast in port on ships beneath the waves behind a camera and in the realm of the imagination while new zealanders have continually altered their marine environments the ocean too has influenced their lives a multi disciplinary work encompassing history marine science archaeology and visual culture new zealand and the sea explores new zealand s varied relationship with the sea challenging the conventional view that history unfolds on land leading and emerging scholars highlight the dynamic ocean centred history of these islands and their inhabitants offering fascinating new perspectives on new zealand s pasts the ocean has profoundly shaped culture across this narrow archipelago the meeting of land and sea is central in historical accounts of polynesian discovery and colonisation european exploratory voyaging sealing whaling and the littoral communities that supported these plural occupations and the mass migrant passage from britain frances steel
