this book considered the biological ecological toxicology and chemical aspects of research topics as they relate to endophytes of grasses several chapters reflect the very pragmatic applications of endophytes and endophyte infected grasses other chapters offer future applications for endophytes and are therefore discussed from theoretical viewpoints this book contains the collective writings of an international group of experts on fungal endophytes of grasses all of whom are directed toward understanding creating and exploiting the positive aspects of endophytes with this book we are attempting to stimulate and facilitate future explorations of the grass endophytes

the 133rd edition of the statesman s year book is completely revised and updated widely respected as an authoritative and accessible reference work the statesman s year book provides the basic building blocks of knowledge about any country in the world constitution and government international relations industry agriculture trade and social issues known as a people events and statistics work this year s edition includes accounts of the latest developments in trouble spots such as bosnia israel and northern ireland and records the results of recent elections in italy austria spain and turkey

the growth in part time employment has been one of the most striking features in industrialized economies over the past forty years part time prospects presents for the first time a systematically comparative analysis of the common and divergent patterns in the use of part time work in europe america and the pacific rim it brings together sociologists and economists in this wide ranging and comprehensive survey it tackles such areas as gender issues ethnic questions and the differences between certain national economies including low pay pensions and labour standards

international law is rich in promise but poor in detail and practical application about the rights of indigenous people this book focuses on practical measures that have been implemented in states to give effect to free prior and informed consent fpic self determination by indigenous people special electoral measures to benefit indigenous people and the role of advisory bodies to advocate for indigenous interests in many comparative works there are often only scant or brief reference to some country experiences but in this book several case studies are explored in depth to promote a greater understanding of the self determination arrangements that have been implemented these case studies represent a form of glocalisation whereby global principles are applied to find local solutions and local solutions in turn inform greater clarity and specificity to global principles at the end of each chapter key lessons that can be drawn from the respective case studies are identified in the hope that those may inform developments in other countries and in international law

the published works are derived from the zoological catalogue of australia database taxa in the

australian fauna are divided among volumes to form sets of about 1800 2000 species available names such that each volume comprises the whole or part of one or more major groups

the past fifteen years have been difficult for the labor movements in industrial countries gary n chaison addresses questions implicit in the decline of unions in the united states canada great britain australia and new zealand how and why do labor unions merge under pressure what role do mergers play in the unions strategies to deal with membership losses management opposition and hostile governments are there distinctive national profiles of union mergers chaison begins by describing the dynamics of the union merger process as large unions combine with each other in amalgamations as small unions are absorbed into larger ones and as local unions affiliate into nationals he discusses the reasons for mergers the barriers to consolidation and the problems of integration which may result the five chapters that follow are arranged in order of increasing intensity in merger activity ranging from the united states where interest in mergers is growing to new zealand where changing legislation has catalyzed an enormous wave of mergers for each of the five countries considered chaison characterizes the industrial relations climate and merger record since 1980 explains landmark mergers identifies the antecedents and assesses the chances that a sudden flood of mergers will occur the final chapter compares the national profiles extrapolating the significant differences and common threads chaison concludes that while mergers can play a critical role in revitalizing labor movements and building the dominant unions of the future they are not necessarily solving the fundamental economic and political problems that plague unions

the distinguished contributors to this volume discuss the global marketplace labor movements and industrial restructuring international trends in work organization in the auto industry linkages between economic development strategies industrial relations policy and other related topics

published under the garamond imprint from consent to coercion addresses several of the key issues about the future of unions and social democratic policies in canada

thrips thysanoptera are very small insects widespread throughout the world with a preponderance of tropical species many temperate ones and even a few living in arctic regions of the approximately 5 000 species so far identified only a few hundred are crop pests causing serious damage or transmitting diseases to growing crops and harvestable produce in most countries their fringed wings confer a natural ability to disperse widely blown by the wind their minute size and cryptic behavior make them difficult to detect either in the field or in fresh vegetation transported during international trade of vegetables fruit and ornamental flowers many species have now spread from their original natural habitats and hosts to favorable new environments where they often reproduce rapidly to develop intense damaging infestations that are costly to control over the past decade there have been several spectacular examples of this the western

flower thrips has expanded its range from the north american continent to europe australia and south africa thrips palmi has spread from its presumed origin the island of sumatra to the coast of florida and threatens to extend its distribution throughout north and south america pear thrips a known orchard pest of europe and the western united states and canada has recently become a major defoliator of hardwood trees in vermont and the neighboring states local outbreaks of other species are also becoming problems in field and glasshouse crops as the effectiveness of insecticides against them decline

pinochet decisions from english spanish belgian and luxembourg courts and the southern bluefin tuna award

this collection of essays draws on critical frameworks to explore fresh ways of looking at frame s fiction poetry and autobiography at the same time the essays plug into the energy of frame s work to challenge our thinking within and beyond these frameworks frameworks offers a perspective on frame studies today showcasing its major concerns as well as heralding new narratives for the decade ahead mindful of preceding frame criticism these essays use their contemporary vantage point to recast seminal questions about the relationship between janet frame s work and its critical contexts

during the last 50 years there have been significant advances in the understanding of the relationship between diet and health in particular we now have an appreciation of the role of nutrition in the development of cardiovascular diseases

with the underpinning role of forage legumes in the nitrogen economy and animal productivity from temperate grasslands certain to expand in the future particularly in regions where their potential has not yet been realized it is essential that the wealth of information currently available is widely disseminated this book serves the purpose with

tropical forage plants development and use covers the research and resulting pasture development in the tropics and subtropics which has undergone dramatic changes in the past few decades providing a broad global perspective it serves as a comprehensive resource covering a wide range of subjects pertaining to forage and animal production in th

this wide ranging comparative analysis of contemporary and future changes in welfare states looks at the different trajectories of the welfare states of europe north america the antipodes and the emerging scenarios in latin america east asia and central and eastern europe leading experts on each of these regions examine the current structures of social protection consider the causes of the current welfare state crisis and highlight evolving trends for welfare policy different welfare states are shown to manifest different forms of crisis among the symptoms of crisis welfare

states in transition suggests that the effect of population ageing is exaggerated and an at least equally fundamental challenge lies in the revolution of the modern family and the changing economic role of women the contributors are sceptical about the neo liberal formula for reform not only because it increases inequality but also because it does not address the growing need for an active social investment policy to ensure against entrapment in poverty or low paid jobs

independence and foreign policy is the first interpretive study of new zealand foreign policy to cover the period 1935-91 based on years of detailed research it draws extensively on relevant sources both inside and outside government it is also an original and imaginative work which consistently takes a broad view exploring the idea of independence in new zealand's foreign policy the kinds of independence most commonly pursued and their implications in practice the first half of the book focuses on world war ii the second provides illuminating insights into recent issues in new zealand foreign policy such as the vietnam war relations with south africa and the anti nuclear movement independence and foreign policy has become a standard reference in its field

brings together contributions from 68 leading scientists from 12 countries to provide an up to date review on the way we manage our interactions with whales dolphins seals and dugongs

based on in depth research and 50 interviews with senior officials examines recent innovations structural change to separate policy and operational functions total quality management principles performance targets service standards and client assessment partnership and single window one stop shopping techniques

this book presents experiences and successful case studies of integrated pest management ipm from developed and developing countries and from major international centres and programmes it contains 39 chapters by many contributors addressing themes such as emerging issues in ipm including biotechnology pesticide policies and socioeconomic considerations 8 chapters country experiences from africa asia north and south america europe australia and new zealand 20 chapters and regional and international experiences including those of fao usaid icipe cirad the world bank and cgiar systemwide ipm program 9 chapters this book will be of significant interest to those working in the areas of crop protection entomology and pest management

drawing on previously unpublished manuscripts many of the teachings and sayings of te whiti and tohu in maori and english are reproduced in full with extensive annotation by te miringa hohaia parihaka the art of passive resistance reaches beyond the art and literary worlds to engage with cultural issues important to all citizens of aotearoa new zealand jacket

marginal income tax rates in advanced industrial countries have fallen dramatically since the mid

1980s but levels and progressivity of income taxation continue to differ strongly across countries this study offers a new perspective on both observations it blends theoretical inquiry with focused quantitative analysis and in depth investigation of seven countries germany australia and new zealand as well as denmark finland norway and sweden the politics of income taxation highlights the equity efficiency tradeoffs that structure the politics of income taxation and analyses how income taxes are embedded in broader tax systems it explains the limited but enduring importance of political parties and democratic institutions finally the study paints a nuanced picture of the role of globalisation and thus sheds light on the pros and cons of tax coordination at european and international levels

intertidal fishes describes the fishes inhabiting the narrow strip of habitat between the high and low tide marks along the rocky coastlines of the world it analyzes the specialized traits of these fishes that have adapted to living in the dynamic and challenging space where they are alternately exposed to the air and submerged in water with the ebb and flow of the tides this book provides a comprehensive account of fishes largely overlooked in many previous studies of intertidal organisms and emphasizes how they differ from fishes living in other deeper water habitats coverage includes air breathing movements and homing sensory systems spawning and parental care feeding habits community structure systematic relationships distribution patterns and the fossil record in the intertidal zone written by an international team of 21 experts on intertidal fish biology worldwide coverage of intertidal fishes comprehensive phylogenetic listing of all fish families with intertidal members global biogeographic analysis involving over 700 species from 86 sites outlines field and laboratory methods pertinent to studying intertidal fishes thorough ecological coverage with chapters on vertical distribution movements and homing reproduction feeding and community structure covers the physiology of aerial and aquatic respiration osmoregulation and sensory systems

my hope and expectation that the havelock north drinking water inquiry would waken us from our national slumber has not been realised in august 2016 40 per cent of the residents of havelock north were struck down by a serious bacterial infection eminent medical researcher david skegg argues that the outbreak highlights weaknesses in our country s health infrastructure weaknesses already evident in problems ranging from child nutrition to cancer new zealand skegg explains must invest more in public health and find the political will needed to oppose the forces that damage health personal health care is important but we neglect public health at our peril

the 1980s and 1990s have seen an unprecedented emphasis on global feminism on the connectedness of women regardless of race class or geography and yet the status and position of women throughout the world remains enormously disparate even so fundamental an issue as a woman s right to vote has been and in many countries continues to be hotly contested how then have suffrage movements evolved what are the similarities and differences in the manner in

which women in a range of different economic religious and political contexts have sought the vote bringing together such eminent scholars as nancy cott ellen dubois and carole pateman suffrage and beyond offers a comprehensive look at the political history of suffrage on a global scale

this study is a radical and controversial analysis of the life and works of rewi alley utilizing both chinese materials and previously unpublished materials from western sources rather than a biography as such it is a revisionist history re examining what we know and understand about one of the most famous or indeed infamous foreigners in modern china rewi alley who arrived in china in 1927 from new zealand and lived there for the rest of his life alley was regarded as a great humanitarian and internationalist later he became an outspoken foreign friend of the chinese regime and prolific propagandist on the new china this book examines the myth and reality of his life using them to explore the role of foreigners in china s diplomatic relations and their sensitive place in china after 1949 laying bare the important role of china s foreign friends in chinese foreign policy

child witnesses pose unique challenges to the legal system and courtrooms are daunting and alien to children timely and truly international in scope this volume focuses on the techniques and procedures used to accommodate child witnesses in legal systems in countries around the world and on the research investigating the effectiveness and implications of those techniques featuring the work of renowned scholars from the international psycholegal community international perspectives on child abuse and children s testimony not only provides support for all countries seeking to broaden their approach to child psychology and law but also promotes justice where child protection is virtually unknown special emphasis is given to techniques currently in use and under investigation in the united states as well as the u s applicability of techniques and procedures used in other countries at a time when issues surrounding children s testimony are under close scrutiny international perspectives on child abuse and children s testimony provides outstanding findings and guidelines for researchers and practitioners in psychology medicine criminology law social policy and social work as well as advanced students in these and related fields
