the third edition of new zealand land law is a comprehensive treatment of all the major topics in this area of law written by a team of expert authors the text provides both practical guidance and critical analysis of all the major topics in this area of law it also discusses the key developments to the law that have occurred since the publication of the 2nd edition in 2009 and provides up to date commentary on the land transfer and unit titles regimes it also explores important changes that have occurred in relation to discrete areas of land law such as caveats mortgages sale of land and leases for these reasons the book continues to be an invaluable reference work for conveyancers legal executives judges students publisher s description

spanning nearly two centuries from first contact through to settlement and apology this major work focuses on the human impact of the war in the waikato its origins and aftermath

this practical guide covers not only bookkeeping essentials but also a range of accounting and taxation issues that bookkeepers need to be aware of when dealing with their clients and their accountants it has a very practical approach with numerous worked examples diagrams checklists tables and faqs adapted for new zealand from the popular australian edition by stephen marsden this book is an invaluable resource for bookkeepers accounting technicians and

accountants

as young kids savi and vid as they are popularly known to their followers dreamt of travelling the world together in 2013 they turned this dream into reality with the launch of their travel blog bruised passports and now countless flights dreamy destinations and beautiful pictures later the og couple of travel has decided to reveal the secret of their carefree and footloose life but this isn't just a book filled with dreamy stories of travel people and culture in these pages savi and vid share their insights on how you too can live a life full of memories adventure and the excitement of discovering a new place with tips plans and advice inspired by the hurdles and successes they have faced savi and vid tell you how to be successful digital nomads in a post pandemic world from financial planning to risk analysis to taking that leap of faith to how to create a brand of your own bruised passports promises to be a treasure trove for anyone who wants to take the plunge and set off on a journey to live life on their own terms

as a group of islands in the far south west pacific ocean new zealand has a history that is steeped in the sea its people have encountered the sea in many different ways along the coast in port on ships beneath the waves behind a camera and in the realm of the imagination while new zealanders have continually altered their marine environments the ocean too has influenced their lives a multi disciplinary work encompassing history marine science archaeology and visual culture new zealand and the sea explores new zealand's varied relationship with the sea challenging the conventional view that history unfolds on land leading and emerging scholars highlight the dynamic ocean centred history of these islands and their inhabitants offering fascinating new perspectives on new zealand's pasts the ocean has profoundly shaped culture across this narrow archipelago the meeting of land and sea is central in historical accounts of polynesian discovery and colonisation european exploratory voyaging sealing whaling and the littoral communities that supported these plural occupations and the mass migrant passage from britain frances steel

by any measure new zealand must confront monumental issues in the years ahead from the future of work to climate change wealth inequality to new populism these challenges are complex and even unprecedented yet why does new zealand's political discussion seem so diminished and our political imagination unequal to the enormity of these issues and why is this gulf particularly apparent to young new zealanders these questions sit at the centre of max harris's new zealand project this book represents from the perspective of a brilliant young new

zealander a vision for confronting the challenges ahead unashamedly idealistic the new zealand project arrives at a time of global upheaval that demands new conversations about our shared future

the new zealand law style guide seeks to remedy the inconsistent use of styles and provide a unified framework which the courts law schools legal practices and legal publishers can follow

this text provides commentary and analysis of new zealand employment law publisher information

principles of land law in new zealand is an abridged one book version of the highly regarded property resource hinde mcmorland sim land law in new zealand continuing the reputation of previous editions principles of land law in new zealand offers students and practitioners authoritative commentary on the fundamentals of land law since the last edition previously titled principles of real property law there have been significant legislative and case law updates incorporated by the authors in all chapters with particular focus on the adaptation of the text

throughout to incorporate the land transfer act 2017 features comprehensive discussion of the core principles of land law written by a prestigious author team who are experts in their field thoroughly updated to incorporate the land transfer act 2017

the new zealand wars were a series of conflicts that profoundly shaped the course and direction of our nation s history fought between the crown and various groups of mōri between 1845 and 1872 the wars touched many aspects of life in nineteenth century new zealand even in those regions spared actual fighting physical remnants or reminders from these conflicts and their aftermath can be found all over the country whether in central auckland wellington dunedin or in more rural locations such as te pōrere or te awamutu the wars are an integral part of the new zealand story but we have not always cared to remember or acknowledge them today however interest in the wars is resurgent public figures are calling for the wars to be taught in all schools and a national day of commemoration was recently established following on from the best selling the great war for new zealand vincent o malley s new book provides a highly accessible introduction to the causes events and consequences of the new zealand wars the text is supported by extensive full colour illustrations as well as timelines graphs and summary tables

the only guidebook series exclusively for backpackers by backpackers lonely planet shoestring guides are more budget focussed than ever before in particular for those planning big trips on small budgets new helpful tips for big trip novices and inspiring planning tools are available the guide also includes information on working abroad and responsible travel the difference is in the details los angeles times remarkably comprehensive new york times

this volume is the first to explore the vibrant history of magna carta in aotearoa new zealand s legal political and popular culture readers will benefit from in depth analyses of the charter s reception along with explorations of its roles in regard to larger constitutional themes the common thread that binds the collection together is its exploration of what the adoption of a medieval charter as part of new zealand s constitutional arrangements has meant and might mean for a pacific nation whose identity remains in flux the contributions to this volume are grouped around three topics remembrance and memorialization of magna carta the reception of the charter by both mōri and non mōri between 1840 and 2015 and reflection on the roles that the charter may yet play in future constitutional debate this collection provides evidence of the enduring attraction of magna carta and its importance as a platform of constitutional aspiration

this book examines the policy and practice of the insanity clauses within the immigration controls of new zealand and the commonwealth of australia it reveals those charged with operating the legislation to be non psychiatric gatekeepers who struggled to match its intent regardless of the evolution in language and the location at which a migrant s mental suitability was assessed those with inherent mental defects and transient insanity gained access to these regions this book accounts for the increased attempts to medicalise border control in response to the widening scope of terminology used for mental illnesses disabilities and dysfunctions such attempts co existed with the promotion of these regions as invalids paradises by governments shipping companies and non asylum doctors using a bureaucratic lens this book exposes these paradoxes and the failings within these nineteenth and early twentieth century australasian nation state building exercises

the divide between new zealand s poorest and wealthiest inhabitants has widened alarmingly over recent decades differences in income have grown faster than in most other developed countries new zealand society is being reshaped stretching to accommodate new distance between those who have and those who have not income inequality is a crisis that affects us all a diverse gathering of new zealand scholars journalists researchers business leaders workers students and parents share these pages their voices speak to the complex shape of income inequality and its effects on the communities of these pacific islands

this work follows the scope of the sale of goods legislation and provides in depth commentary and analysis of non consumer sales between new zealand businesses it starts with an introduction history and discussion of the scope of the legislation before moving into the mechanics of formation of the contract and passing of property and risk there are chapters specific to buyer s duties seller s duties buyer s remedies and seller s remedies then the final chapter is an extensive discussion of international sale of goods involving new zealand businesses as an added feature there are comparative tables mapping sections of the repealed legislation to the new act and vice versa the value of the goods bought and sold each year in new zealand that are potentially subject to the sale of goods legislation is enormous sale of goods in new zealand is a must have purchase for commercial practitioners academics and barristers and will ensure that you have the answers to even the most complicated challenges

new zealand s recovery has stalled since mid 2010 spare capacity has helped contain inflation the reserve bank of new zealand rbnz lifted its policy rate in two steps from a record low of 2

5 percent to 3 percent in mid 2010 the exchange rate appreciated and financial markets have largely recovered from the global financial crisis the banking sector remains profitable and is dominated by four subsidiaries of Australian banks that performed well during the crisis the 2010 Canterbury earthquakes have disrupted economic activity reduced wealth and weakened confidence

Mental Health Law in New Zealand 2nd edition is a unique guide to the interaction between the mental health system and the law in New Zealand this book displays a sound understanding of the complex clinical realities that arise in this area of medical practice and is aimed at mental health professionals psychiatric social workers caregivers advocacy groups lawyers and medical social science and law students
